PART B TO BE COMPLETED BY THE REFEREE

On completion, this form should be returned to the applicant in a sealed envelope.

The above-named has applied to this University for admission as a graduate student and has been asked to send a copy of this form to each referee. We would be grateful if you would give, in PART C overleaf, a general statement about the applicant's ability and suitability for the taught programme or research stated above, and answer the questions below.

Any information that will be of assistance to the Graduate School will be welcomed and will be treated in confidence at this stage. Admission to graduate studies is highly competitive and great reliance is placed on referees' reports, which therefore should be as full as possible. We thank you in advance for your assistance.

Please supply the following details and complete PART C overleaf

1. How long have you known the applicant?

Have you taught the applicant yourself and, if so, what subject and for how long?

2. If the applicant has not yet graduated, what class or grade of degree do you expect him to obtain?

3. Would the applicant be eligible to proceed to higher degree study in your University?

4. Do you consider the applicant to have sufficient background knowledge of the subject proposed to proceed directly to independent research with guidance from an academic supervisor or would the applicant need preliminary coursework?
