# BACHELOR OF LAWS

**Strathmore University**  
Law School

Students trip to the International Court of Justice in The Hague, Netherlands

## BACHELOR OF LAWS

We aim at training excellent lawyers; critical thinkers who are able to grasp a better understanding of justice. Our curriculum merges core subjects in legal theory and practice with courses on ethics and humanities making the student an agent of change in East Africa and beyond. We are determined to achieve legal excellence in the quest for justice.

### FACTS

Lecturer/student ratio	1:15
Textbook/student ratio	1:6
Personal mentor/student ratio	1:10
Professional coach/student ratio	1:10

We provide a student coaching system run by experienced and reputable members of the legal fraternity. The students will be coached throughout their professional development thus bridging the gap between learning and practice.

### WHAT MAKES US DIFFERENT

- High Quality Standards: Top scholars and qualified practitioners, modern U-shape classrooms with e-facilities, access to the

best e-journals, and adequate class size will ensure the best lecturer/student ratio and personal contact and follow-up.

- Practical Learning: Legal research centers and clinics have been established within. We work closely with local and international law firms of high repute to place students for job placements, internships and attachments.
- Visiting professors drawn from some of the most prestigious law schools in the world.
- Laptop Policy: Every student is given a new laptop upon registration. This allows all students to access the e-resources and on-line journals, thus becoming a new "e-legal generation".
- Academic Trip Abroad: Students of the Law School get a chance to participate in an academic trip to Europe that exposes them to various international legal institutions, other prestigious law schools and gives them a chance to interact with senior international legal practitioners e.g. judges, prosecutors, defense lawyers etc.

## EDUCATION FINANCING

Strathmore students get loans from the Higher Education Loans Board (HELB). The University also has an arrangement to provide 4 year tuition loans with KIVA. The repayment period for KIVA loans is five years which commences one year after graduation. Bright and needy students can also get loans from the University.

- International language: Our curriculum includes a foreign language. Students can choose to study any of the following foreign languages: French, German, Japanese, Spanish, and Chinese.
- A wide choice of elective subjects for specialization and thorough in-depth training.
