

Requirements for Application for DAAD In-Country/In-Region Scholarships for Postgraduate Studies 2019

To apply for the DAAD 2019 In-Country/In-Region Scholarships for Postgraduate Studies, the following documents should be submitted to the School of Graduate Studies.

- (i) Strathmore University's Application form for Graduate Studies. Click below for a copy of the application form.
- (ii) Certified copy of your High School Certificate.
- (iii) Certified copies of all Degree Certificates and Transcript of Records (TOR) in English giving full details of subjects studied and grades/marks obtained. (Kindly note the copies of the certificates and transcripts must be certified either by the awarding institution or by an advocate of the high court).
- (iv) Two (2) completed Reference Forms of which one must be from a former graduate professors/senior lecturer particularly qualified to attest to the applicant's qualification for graduate studies. The second reference may be from a professor or employer. Click below for a copy of the reference form.
- (v) An updated Curriculum Vitae. Please use the Europass CV template (<http://europass.cedefop.europa.eu>)
- (vi) Copy of the National ID or bio page of the Passport.
- (vii) The signed DAAD Information Sheet for Scholars, 2019/2020. Click below for the Information sheet.
- (viii) A PhD research proposal including a detailed work plan (maximum 7000 words). Please keep to the word count. Note that plagiarism will be checked. Please note that at least one of your proposed supervisor(s) should sign on the cover page of your research proposal.
- (ix) A copy of the research work undertaken at Master level.
- (x) Names of at least two proposed supervisors one of whom one must be a Strathmore University staff member.

The application documents should be submitted electronically to the School of Graduate Studies using the submission form on this website.
